Craig Middle School is a place where EVERYONE MATTERS! This year our focus for the 2023-2024 school year will be to create a positive culture and truly define what it means to be a Craig Colt ([#heartofaCOLT](#)). Our goal is to create a place where students, staff and families connect and belong to enable us all to make the best life choices. How do we create a heart filled with passion to learn, grow and become who the world needs? We accomplish this by being Intentional, looking inward and outward. What do I/we need to do to make this happen? What systems or programs do we need in place? This requires all of us to make Craig a place where EVERYONE THRIVES! The road will be challenging at times, but the best journeys are filled with opportunities to grow and become better versions of ourselves. I am PROUD to be a Craig Colt! [#heartofaCOLT](#)

H - Help: how to ask for help during the activity

A - Activity: task/objective for the classroom that day

M - Movement: the expectation of movement from students during the activity

P - Participation: how the students are expected to participate in the activity

S - Success: how the student will be successful with the activity.

### **Foundations**

The foundations' process is a joint partnership between the district and campus that develops effective schoolwide discipline plans. The expectations for this partnership at the campus level is as follows:

- Hallway: direct flow of traffic for students to move in common form.
- Cafeteria: assigned seating for classes and grade levels for morning, lunch, and after school seating.
- Restrooms: Go, flush, wash, leave. No phone usage allowed in the restroom.
- Extracurricular Activities:
  - Friday Night Football – Middle School students must attend games with an adult. Students are required to sit with the adult they entered the stadium with at the beginning of the game. If students are roaming around, students will be escorted back to the adult. If the student refuses to stay with the adult, the middle school student will be asked to leave the stadium.
  - Craig Extracurricular Activities- Must remain seated for the activity. Cannot congregate at the concession stand or in the restroom. There is no re-entry after leaving the activity. All student behavior expectations MUST be followed at the event. Failure to follow expectations may result in permanent removal from remaining events.

Referral Process: Any student who fails to follow CHAMPS or any other school expectation is subject to a referral. If the offense is severe, the student will be taken directly to their Assistant Principal for discipline. Each referral will be handled on an individual basis. Multiple referrals may constitute further discipline.

**Campus Behavior Coordinator: Sheila Dendinger x5816**

**\*\*Discipline is a consideration for attending 6-week rewards parties and dances\*\***

## **Bullying:**

To obtain assistance and intervention, any student who believes that he or she has experienced bullying or believes that another student has experienced bullying should immediately report the alleged acts to a teacher, school counselor, principal, or other District employee.

Students will fill out a report in the counselor's office, or through the online bully report.

The link for online bully reports is located on Craig Middle School's home page and provided below.

<https://docs.google.com/forms/d/e/1FAIpQLSfy6mmxiK0KBfge6lzYGrxXVq1p1ST74uL4BYy3n4ehBKKEQ/Viewform>

Once the form is filled out, Assistant Principals will begin an investigation over the report. The report will then be shared with the bully committee to determine if bullying was taking place.

The Bully Committee consists of an Assistant Principal, a Counselor, and several teachers.

## **School Resource Officer:**

Our partnership with the Abilene Police Department helps to maintain a healthy learning environment for all students. The School Resource Officer (SRO) Program goals and objectives are:
